

November Newsletter
Westminster Learning Center

Picture Day – November 13th (Friday)

Picture Day is this Friday. Please make sure you return your form by November 12th. If you are in need of another form, they are located by the sign in/out computer. Pictures will start at 7:30 am. Siblings are welcome if you would like a group photo. There is no obligation to purchase.

Center Closed – In observance of Thanksgiving we will be closed on Thursday November 26th and Friday November 27th. Please notify me by email or in person if your child will not be attending this week so we can staff appropriately. If you have earned and would like to use a vacation week, please let me know.

I hope everyone has a safe and wonderful Thanksgiving!

School Aged/Remote Learning

We have had school age children attending for Remote Learning. If you are in need of help, please let us know and we have availability for your school ager to come to our center for remote learning (one day to 5 days). At this point in time, Westminster Public Schools should resume on November 16th (of course this could change by the end of the week). Adams 12 is on Remote Learning effective November 16th. We have 2 children attending the remote learning at our Center and have room if you are in need.

Preschool/Prekindergarten Teacher

As you are aware, Ms. Suzanne has left our Center. We wish her the best. We are very pleased to announce Ms. Barbara Copeland to our Team. Please help me welcome her to our WLC Family. Barbara comes with a lot of experience and shares the same philosophy on Early Children Education as I do. I know our families we be very happy with her as their teacher! She will need a little time for adjustment and to get to know the children, but she is off and running in her classroom.

Weather Change

The weather is going back and forth. Please make sure your child is bringing appropriate clothing to go outside. If it snows, we need snow boots, gloves/mittens, and winter coat (you are welcome to bring snow pants if you would like). All children should have a complete change of clothing (shirt, pants, underwear, and socks). We like to be able to get the children outside each day. It is even more important during the COVID 19, that children can get fresh air.

COVID 19 Updates

First, I would like to thank all our families for following protocols to keep everyone safe. Communication is essential so please keep us updated. Changes have occurred which you are aware of. Our 3-year-old and up children are required to wear masks to school. I do have extra disposable child masks if your child needs to change out during the day or forgets to bring their mask. As COVID 19 cases continue to rise in the Adams County and other areas of our State, we need to take extra precautions to ensure safety of everyone and make sure we do not have a case(s) at WLC. I will always keep you up to date on any changes or information that you will need.

Scholastic Book Orders

Scholastic Book Forms are at the front of the office to pick up. You may also go online to purchase other books that are not in the flyers. **Please use WLC CLASS CODE RPH7J** and your books can be delivered here and WLC will earn points towards books for our classrooms!
