

Welcome to Summer Camp at New Thomas Learning Center!

We are so thrilled to have your children join us for so much adventure we can hardly contain our excitement. There is a weekly theme for each of the 10 weeks we will spend together. During these weeks we have aligned our field trip destinations to coincide with the themes to make sure we spice up the summer experience.

In this packet you will find a “field trip permission slip page” – please sign each destination and date it – that way we have one master copy of permissions.

Things we will need from home:

Water Bottle - labeled (please bring a “shoulder” sling so kiddos can be hands free)

Pack a lunch. We have a refrigerator but ARE NOT able to cook or microwave foods. Morning and afternoon snacks will be provided by us.

Water park/swim days – swimsuit, towel, life vest if non-swimmer

Extra change of clothing – (dirt, rips, tears, paint happens)

Sunscreen – labeled if you choose not to use our stash of Rocky Mountain Sunscreen

Good walking/hiking shoes – please no sandals

Sun Hat – labeled.

We provide a Summer Camp T-Shirt, please ensure they arrive with your child each day for field trips. Your child will be able to keep the shirt after camp has ended.

Please let us know as soon as possible what your Summer Camp needs are and when child on will be joining us if the schedule is sporadic.
