

Coronavirus (COVID-19) Information

With all the information circling about Coronavirus, we want Families to be aware that we are monitoring the situation.

The Colorado Department of Public Health and Environment (CDPHE) is recommending that events or extracurricular activities proceed as planned.

There are no confirmed cases of COVID-19 in Colorado and concern for the public is low.

However, to prevent the potential spread of COVID-19 and any other respiratory illnesses it is important to follow CDC recommendations for staying healthy.

- Stay home if you are sick.
- Keep your child home if they are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean hands frequently with soap and water or alcohol-based hand rub.
- Clean and disinfect frequently touched objects and surfaces
- Avoid close contact with anyone with cold or flu-like symptoms

We will be tightening our policy around illness. If your child displays ANY flu/cold like symptoms we will have you pick them up.

We will reach out to families on email, social media, and phone if anything changes.

You can find more information about COVID-19 on [CDPHE's website](#) and the [CDC's website](#)
